Sir, In forwarding copy of Education Secretary's letter No 5544/66 dated 27th February 1895 to my address re the building now used as the Deputy Amildar's Cutcherry at Hosadroog, I have the honour to state that the difficulty to which reference has been made by the Education Secretary is a real one. The new building designed for the Deputy Amildar's Office is approaching completion. I beg to recommend that sanction be kindly accorded to the old building being placed at the disposal of the Education Department after it

it is respectfully submitted by the Deputy Assistant.

Education Department
Mysore, Bangalore, 27th February 1895.

From V. J. Bhabha Esquire
Secretary to the Govt. of Mysore
Education Department.

To The Deputy Commissioner
Chitaldroog District

Sir,

I have the honour to bring to your notice that the Branch Kanada Boys' School and the Girls' School at Hosadroog are both located in rented buildings which afford very insufficient accommodation for the large number of children attending them. The Deputy Inspector of Schools reports that no better houses can be found in the town even if the existing rents were increased and suggests that as a new Taluk Cutcherry building is now under construction and will be completed before the end of April next, the present Taluk Cutcherry building may be taken over for the use of the above mentioned Schools.

Schools. Under these circumstances, I shall be glad if you can kindly transfer the building to the Education department. In that case, the necessary repairs and alterations will be made by the Education department and both the Branch School and the Girls' School will be located there.

I have &c
